

Aubree's Hope

AUBREE'S HOPE

ANNUAL GOLF OUTING

Saturday, June 22nd
2024

Support a local family!

Aubree is a six year old girl, who was diagnosed with Rett Syndrome, a rare genetic neurological disorder. Rett Syndrome has robbed Aubree of her ability to walk, talk, purposefully use her hands and has contributed to the onset of seizures, breathing abnormalities and eating difficulties requiring a feeding tube. In efforts to help Aubree's family cover their expenses to renovate their home to include an elevator and handicap accessible bathroom please consider attending our Golf Outing and Dinner Fundraiser!
